- BLAW Public Relations is moving to change it's phonelines to a newer technology here are the details from Walter:

BLAW has made a decision to move away from Grasshopper and to utilize the information from the BMLT to generate automatic meeting info on their helpline. For other Areas that may be interested in this technology, it is possible to route your existing phone lines through YAP (consider it like a dashboard with routing functionality) and the BMLT (the database that houses all of our meeting info in the Region). Several Regions and Areas have actually reported a lower cost than their existing provider bill. Many service bodies have opted to port their existing number through "Twilio." Twilio would take place of Grasshopper or whichever phone company currently used. Initially (BLAW) would want to purchase "a phone number" from Twilio. This would be the test platform. Once all configurations and implementations are up to speck, then port the current helpline over and discontinue the Grasshopper bill...

Benefits of using YAP/BMLT over your current helpline?

- automatically updates your phonenumber with meeting info from the website without needing a member manually re-recording info every time there is a meeting change.
- * voice-prompted and activated menu options
- * meeting info can then be sent to the caller via text so they have it on their phone.
- * monthly volunteers can be programmed in YAP via the web-based dashboard. Nothing else has to be done. It is day, hour, minute specific and will automatically route the calls to that person when their "shift" begins. Backups can also be put into schedule in case a primary doesn't pick up.
- * clear record of calls, duration, volunteers not picking up, etc., are all recorded in logs.
- * YAP masks the phone numbers of volunteers for their own anonymity and security.
- * large volume Areas have reported a monthly bill of about \$11-\$12 in total for their helpline. Cost is based on the activity via Twilio.
- * YAP and BMLT are free and were created by members in our Fellowship to help modernize certain parts of our service structure. Sierra Sage implemented BMLT about 3 years ago and have had nothing but good success with modernizing our meeting lists and making the info more readily available on our website.
- * This trusted servant has offered to implement YAP and configure the system based on each Areas needs.
- * Upside - modern, very sleek, and cheaper alternative to existing phone lines for Areas. Downside - addicts don't necessarily like change.

- Please feel free to bring this information back to your Areas. BLAW is on their way to making this change. Feel free to reach out if you need more information...

ILS,
Webservant

This move of the Phoneliines is the final phase of combining services to mirror the PR Handbook that was published in 2008 from WSO. PR and H&I are having it's annual Pancake breakfast December 9th at 2990 Rock Blvd. (flyer attached) H&I has been covering the California State Prison in Susanville with a weekly meeting.

- BLAW has sent forward to Region and RSO a contribution of \$4000 in the last 3 months and still has a balance at around \$4000 as group donations are up.
- Activities had a successful Campout and plans to redo it again next September are already in the works Bingo has been an unique activity and Thanksgiving/ Christmas Marathons are planned on the holidays at the American Legion on 4th in Sparks.
- The Serenity Sisters are planning holiday events and had a succefful Rembrandts in Recovery event in October.
- Lots of good things happening and lots of newcomers that's awesome.

Thanks for letting me serve!

Sierra Sage Regional Subcommittee Report Behind the Walls Sponsorship Program

Nov 11, 2018

Behind the Walls is so happy as we have 5 new recruited Sponsors from Convention... 4 males & 1 new female ! We have been running very smooth. As we are going into our slow season we have started the **2nd Annual Stamp Drive**. Please all RCMs, and everyone take back to your groups and spread the word, mail or donate stamps! We will not be taking cash donations please send your stamps to our PO Box. We will always make sure you get a receipt!! **Please take our flyers !!!**

This period we had 26 letters in/ 19 packets out and 21 Sponsor letters. We are glad to report more Sponsors are getting letters. So remind everyone one extra letter if they are not writing doesn't hurt!

We still have 8 Basic Texts on stock. Our group will continue to revamp our Working Guidelines and will present them to this body 60 days before rotation (May Region).

We mailed this years Facility Packets, and our Vice Chair, Abbey, is working more closely with the Chair than ever before...(We rotate only 7 months from now!) We are happy to have Abbey on board and so glad she got to represent Sierra Sage Region BTWSP at WSLD this year. She has a lot of new info and ideas for us!!

We purchased Copy and Printer Ink, index cards, a few misc supplies for Convention table and have attached a copy of our ongoing budget and receipts to the Treasurer.

- We are asking for \$155.00 budget money this quarter.
- We are asking/Motioning for Region to pay our \$96 annual PO Box fee, as it is due. I am giving the check envelope that the USPO provides, to our Treasurer.

WE DO STILL NEED MALE SPONSORS !! Our waiting list of men writing in continues to Grow rapidly!! Please announce to your areas and groups WE NEED MEN WITH 2 years of clean time who work the NA program.

We have created "THE BTW Prison Panel" (Aka **BTWPP**) and hope to have PR Subcommittee Members, Outreach Members and H&I Members discussing and practicing for a Q&A Panel with the Prison Wardens and Program Wardens for Nevada's prisons with treatment programs ASAP. We' hope to have more open and often discussion as we create the **BTWPP** . **Our first BTWPP Meeting will be 6pm Dec 7th at the Atlantis Sushi Bar**. Please help get the word out. WE WILL be brainstorming ideas.

The women's prison participation is still slow but have a few women trickling in from Calif. We always hope that as many prisoners as possible can get the NA Message. That's our primary purpose.

Thank you for letting me be of service,

RSC H & I REPORT

01/14/2018

Hi Family,

H & I

- 1) We have 3 NA meetings in 2 facilities. Warm Springs has (1) one English which Lou Z., Rob E. and I go into on Thursday's at 6 pm. We rotate going in on Thursday so we don't get burnt out. We also had requests for Spanish literature in Warm Springs. I purchased Spanish literature; it will be taken in to the facility this next week. NNCC in Carson City has (2) meetings both are English. One is on Friday at 6pm (needs outside sponsor) and the other is on Sunday at 12:30. Charles B; Lou Z. trade off every other Sunday. We are looking for more men to step up to get cleared. I do have clearance forms for anybody interested. Please take this back to your Area's.
- 2) We sent Spanish literature into Warm Springs. English literature along with schedules was sent into both Warm Springs and Northern Nevada Correctional Ctr.
- 3) I had 3 emails from the website. One was an information email on how they could purchase literature. I referred them to NA.org. The next one was from an addict looking to improve their H&I service in Susanville/High Desert Correctional facility. Let's welcome Rhonda from Susanville. I directed her to BLAW H&I subcommittee, which she attended. She also asked for literature for which I brought her literature for her efforts. The third email was from West Hills counseling facility in Reno. They would like to get meetings in that facility. I directed them to BLAW H&I subcommittee.
- 4) Sheryl texted me info from a request she has received from BTWSP. Apparently, in the Carlin facility they are having NA meetings without NA sponsors. They would like both, sponsors and literature to learn more about NA recovery. I will get a hold of these folks in Carlin. Hopefully we will get a caseworker or Chaplin to help us get the information/literature that they need.
- 5) Please step up, Regional H&I makes a difference, help us move forward with Regional H&I in our Sierra Sage Region!! I am looking forward to working with new people to carry on this awesome service. We now have 4 people cleared and at least 3 applications sent in to DOC for processing/approval. We are now developing a schedule of who is going to what facility and when. I will continue to work towards developing a closer (PR/H&I) relationship with NVDOC (Nevada Dept. of Corrections).
- 6) I would like to request a case of soft cover Basic texts. As well as my budget for the first qtr. of 2018. The case of books is to supplement literature requests as I receive them. I would like to be able to send them one or two books instead of having them wait to be ordered and delivered.

We met the new caseworker Mr. (Bill) Pence. When I meet Mr. Pence he gave me info for the Lieutenant who runs the camp. He said they are interested and getting NA into Stewart Camp. Also, We are looking for more men to step up to get cleared. I do have clearance forms for anybody interested. Please take this back to your Area's/Home groups.
- 2) Please step up, Regional H&I Does make a difference. I am working with our Vice Chair Mike C. training him for Chair position. We have a new member to the H&I team. Welcome Jeff G. He will be helping with the Admin. Portion, developing and maintaining our documents: schedule, list of people cleared, who is waiting for training, who needs TB tests, so on and so forth. We have 5 people cleared, one is still waiting for his training before he can go in. There are 3 other applications within DOC for processing/approval. We are now developing a schedule of who is going to what facility and when. I will continue to work towards developing a closer (PR/H&I) relationship with NVDOC (Nevada Dept. of Corrections).
- 3) I received a request from North Lake/Truckee Area to help them develop their H&I/PR effort. They are interested in developing a sustaining H&I service for their area.
I mentioned to them that we had just started having Workshop meetings to develop a PR/H&I presentation that I was introduced to at WSLD in Sacramento. The presentation is done with Microsoft Power Point software program. We have had 4 or 5 meetings. We have representation from 3 of 6 areas in our region.
Our goal is first to set up the presentation to better fit our needs here in Sierra Sage and present to facilities that know nothing or only a little about Narcotics Anonymous. Which means this presentation won't need too much adjustment to be ready to go. Our group is also interested in taking this another step further to develop one or two other presentations to address our new comers with 1 or 2 years or less to introduce them to the miracle of service and the opportunities that develop as a result of being of service. As well as how NA service can help our NA program of recovery to be more attractive to facilities in the recovery world as well as DOC, Jails, recovery homes, counseling centers as well as the general public.

- 3) The Ad-hoc to develop a PR/H&I presentation has been complete enough for us to present to facilities. We did a presentation for a meeting in Carson a few weeks back, it went really well. We are talking with New Frontier in Fallon about doing this presentation at their facility in the Sunday night H&I slot. We hope this presentation will help H&I/PR service to become more attractive to our fellowship and facilities in the recovery world as well as DOC, Jails, recovery homes, counseling centers as well as the general public.
- 4) I would like to request my 3rd qtr budget. I'm looking to buy IP's to use specifically for the H&I/PR presentations we do in the future.
- 5) I received a request from our website to help a new member to our Region. They moved here from Region 51 They wanted to get introduced to H&I services in Sierra Sage. I replied and gave her all the info for the area's here that have H&I services.
- 6) Budget 2nd qtr 2018

11-20-17	cash check/deposit	\$200.00 +
06-12-18	NAWS/Reaching out subscription	\$ 35.00 –

Area report Northlake Tahoe

November 11th, 2018

Things are good in North Lake Tahoe. We have one meeting every day of the week, with regular attendance between 4 and 10 people per meeting, with the occasional larger or smaller meeting being as few as 3, or as many as 15.

Gratitude dinner is occupying most of our time and mental Energies, and the planning for that is going well. Please see the separate gratitude dinner report.

Many of our members attended convention, and we wanted to express our appreciation for the work everyone did to make that happen.

NLT had a financial discrepancy of \$248 between our records and our actual bank account, and our treasurer is out of town for another week therefore voted to hold off on our donation to region until our treasurer has a chance to run down the discrepancy. That being said, our current balance is either \$1000.52, or \$758.26.

Thank you for letting us be of service,

SSRNA PR/Web

Good Morning Family,

This has been an extremely busy cycle. PR/Web is assisting the BLAW Area as they are requesting technical assistance for their transition to YAP and their new helpline system. YAP ties into Region's existing BMLT program which houses all of the Region's meeting information. Significant amounts of time have been spent researching the necessary installations and configurations.

I also attended the Western Regional Learning Days in Phoenix, AZ. It was a very good period of workshops. I attended the ones for Youth, PR, and Phonelines and also how to begin reaching the Rural Communities. One of the interesting responses to this shortage of meetings in Rural communities is to create a virtual (Zoom) meeting and place it on either the Region (for SSRNA via Outreach) or an Area's meeting list. Instructions on how to access this meeting could be put up on the website. Slides with the readings, speakers, and other aspects could be decided prior to establishing this type of meeting. There are about a half dozen Zoom meetings happening weekly around the US and even a "Virtual Area" which is in the process of being established. Some of these meetings have generated 7th Tradition support (via PayPal) which has helped to defray the technological costs.

I have also participated in the RSO/RSC Ad-Hoc on the rewrites of our guidelines for the Convention Committee. We have tentatively decided to move forward with an Annual Learning Day which will serve dual-functionality and be hosted by our Region's Public Relations. Regional Learning Day will serve both as a vehicle to transmit new information for the Western States Learning Days to the local Fellowship and also as a way to mentor new Convention trusted servants. I will be requesting a budget for both space rental and food from this body so that we can host this event. This year it is set for December 8th.

Due to Convention, Learning Days, Ad-Hoc committee meetings, and other activities, I have been somewhat restricted for time and I have not been able to research Mozeo more thoroughly. I hope to have a report on this vehicle by next Region.

Thank you for allowing me to be of service,

ILS,

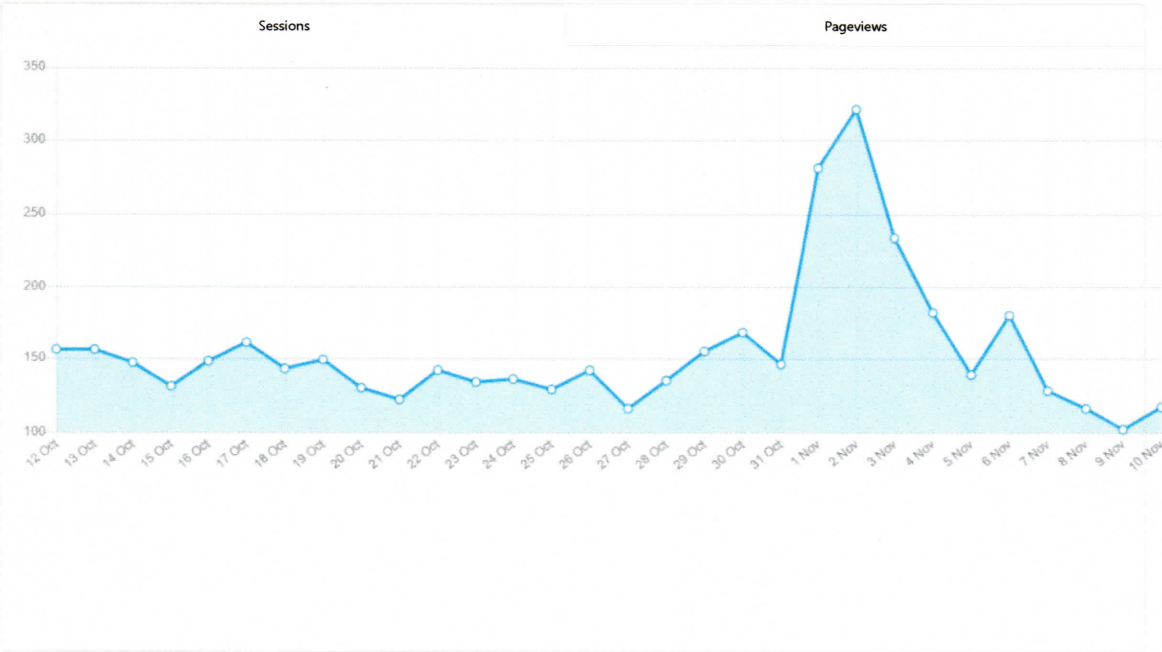

Walter S.

See everyone next weekend! !

RDA Report Nov 2018

WSLD: This past month I attended the learning days that was held in Arizona. This event was attended by other members of the Sierra Sage RSC and with that said I won't be duplicating the many handouts that were picked up by the rest of the team. I will focus on the areas the Delegate team needed to be accountable for. The event was attended by all but three of the Regional Delegate Teams, that participate in the Western States Forum. I attended the workshop that described what the Zonal Forum is and what zones make up the Western Forum. There was discussion about the changes that are happening within the Forum and some the possibilities that can happen if the forum chooses to go in that direction. This event was attended by several general members as well as members that are currently RD's or RDA's.

The forum itself met as a whole over a dinner meeting, to discuss some general business that has been pending since the World Conference. At this meeting there actually was some decisions made and some actual positions voted on. The first order of business was the proposed guidelines were approved and they now will be a working document which will be used to help the Forum in the future. It is important to note that the guidelines are just a start and all the delegates agreed that they will need to be modified and adjusted as the Forum evolves.

The next order of business was to elect facilitators that will become part of the body and help keep that meetings on focus and on track. Laura from the Rio Grande Region and Dave from the San Diego/Imperial Region were nominated and elected as Facilitator and Vice Facilitator, respectively. They will now come up with an agenda that will be followed for the upcoming meeting in January, held in San Diego.

The last item that made was that funding to the Forum. The proposal was that each Region would donate \$300/ year. This will help with the funding of travel of the facilitators and to help with any other expenses that are needed. It is important to note, it was discussed and agreed that any and all money that is left unused will be directly donated to the World, at the end of year, on behalf of the entire WSZF. A bank account is going to set up that all the Regions can send their donations to directly. This should be complete by the time the January meeting is held.

I will be submitting receipts for air and half of the room while I attended this meeting. I will turn them in next week or so, as I need to gather them up.

The regularly scheduled meeting of the Western States Forum, is planned for San Diego in January. I am asking for the body to fund the room and per diem for this event. I will finance the travel myself. The event is scheduled for January 24-27th. It is being held the Handlery Hotel. The cost of the rooms is \$122.84/night. It says the price is ALL inclusive. I would like to have 3 nights reserved for this event starting Thursday night.

This event starts on Friday at 10am, with a meeting of the California Regions, This is the California Collaboration. I am still not sure what this group is but I will be better able to find out and report back to the body when we meet again. It seems to be about possibly trying to share savings with insurance cost

for meetings. I am not sure that will help our Region as we are a bi-state region. I will gather all the info and report back.

I would also like to ask for \$300, that I can take to the WSZF as our donation.

In Loving Service

Vice Chair report:

I want to thank RSC for sending Vince, Walter, Abbey and me to WSLD. We learned a lot I think we made a great team. We have some exciting things to share. I am taking my commitment seriously and I am trying to learn as much as I can about how to serve NA and Sierra Sage Region. I am grateful for the inclusion and patience everyone has with me as I learn. I appreciate being able to join the meeting by phone today, but this will not be a regular occurrence. Thanks everyone and thank you Narcotics Anonymous.
